

Gift and Sponsorship in the Mindfulness Practice Center of Fairfax - 2012

The Mindfulness Practice Center of Fairfax is totally dependent on the generosity of participants. In the Fall of 1999 we introduced a Sponsorship program as a way for participants to support the Center and to provide financial stability for our teachers. The Center's work would not be possible without our Sponsors'support.

We are inviting you to help us continue MPCF's work by becoming a Sponsor through a monthly gift of \$80 or more for one year. In addition, we have added special family rates of \$150 per couple and \$200 for a family sponsorship.

As a Sponsor you/your family will have unlimited free participation in any of our daily, weekly or monthly sessions (with the exception of the week-end retreat and evening classes).

If you are able to contribute, please complete the form below and return it to Anh-Huong or Thu. We thank you for your generosity.
